Russ Peters, Director

February 20, 2018

Greetings:

Winthrop Opportunities has been working to make Winthrop a more progressive community since it was formed in 1965. As a former or current business owner or employee in Winthrop you understand the importance of having an active economic development group. The board of directors would like you to help us realize how fortunate we are, and work with us to chart a course for the future.

Winthrop Opportunities recently held its annual meeting on January 24th. If you were able to attend, we thank you for joining us and we hope you enjoyed the speaker from the University of Minnesota extension service, Ben Winchester. His presentation "Rewriting Rural America" showed that the media may portray rural America as "dying", but in reality, more and more people are choosing to live in rural areas. We just need to learn how to work together to promote our area to encourage growth.

We thank you for your past membership and encourage you or your business to join again this year. The cost to become a member of Winthrop Opportunities is \$100.00 for a business or \$50.00 for an individual. Your investment goes towards helping promote local business growth by providing gap financing to new or current businesses and other projects that may come up.

The board of directors meets once a month and will send out quarterly updates to members via email. Please feel free to contact any board member with questions, concerns, or ideas to help promote business growth in Winthrop. We will all thrive when we work together.

To join, please mail this form and payment to:

Winthrop Opportunities
PO Box 174
Winthrop, MN 55396
